The Leverage Curve

Toll Equity

- TxDOT Participation on toll roads does not have to be repaid

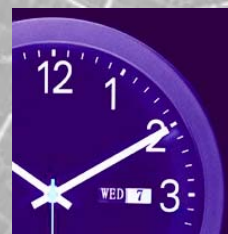

Why should District Engineers consider tolls?

- Accelerate projects
- Leverage limited funding sources
- An alternative to declining gas taxes
- Provide economic engine for system expansion

Why should District Engineers consider tolls?

- Proactive approach to conserve corridors
- Free up maintenance \$ to construct other projects
- Benefit of reliable travel time
- Toll conversion increases options/ reduces travel volume risk
- TX DOT Commission / Governor support
